特性

Raw roasted organic barley. Torrefied up to 230 °C. The length of roasting time determines the darkness of the grain.

特征

Chateau Roasted Barley Nature is a highly roasted barley that imparts a burnt, grainy, coffee-like flavor to your beer. It has many characteristics of Chateau Black Nature malt, though it is far more complex. It actually has some starch that can be converted during the mash, thus impacting the specific gravity. Chateau Roasted Barley will also lend to the sweetness to the beer. If compared to Chateau Chocolat Nature and Chateau Black Nature malts, organic roasted barley produces the lightest colored head. Imparts a deep red mahogany color to beer and very strong roasted flavor. Gives dryness to organic Porters and Stouts.

Usage

Organic Stouts, organic Porters, organic Nut Brown Ales and other organic dark beer styles
