Raw roasted organic barley. Torrefied up to 230 C. The length of roasting time determine darkness of the grain.

特征

Ch teau Roasted Barley Nature is a highly roasted barley that imparts a burnt, grainy, coffee-like flavor to your beer. It has many characteristics of Ch teau Black Nature malt though it is far more complex. It actually has some starch that can be converted during th mash, thus impacting the specific gravity. Ch teau Roasted Barley will also lend to the sweetness to the beer. If compared to Ch teau Chocolat Nature and Ch teau Black Nature m organic roasted barley produces the lightest colored head. Imparts a deep red mahogany col beer and very strong roasted flavor. Gives dryness to organic Porters and Stouts.

Usage

Organic Stouts, organic Porters, organic Nut Brown Ales and other organic dark beer styles
