With the first letter, I have a new key.

I'm not sure if this is right, but I think it's what you wanted.

It's been a while since I've done anything with this code, so I might have some errors or typos. If you run into any issues, let me know!

PS: I'm still working on the second part of the challenge, so I'll update you once I have more information.

Good luck! I hope you find it helpful.

If you have any questions or need further assistance, feel free to ask.
