BASE MALTS

EXTRA PALE ALE MALT

Elevate your brew with Bairds Extra Pale Ale Malt — developed to meet the exacting demands of contemporary craft brewers. Featuring an impressively low colour range that rivals lagers, this malt is your secret ingredient for irresistibly hoppy and beautifully hazy beers — from XPAs and Pales to IPAs and Blondes.

Extra Pale Ale Malt is produced at Bairds Witham Maltings.

TYPICAL ANALYSIS

	IOB	EBC	ASBC
MOISTURE % MAX	4	4	4
EXTRACT DM (MIN)	308	80	80
