Features

Our Château Whisky Light® 25ppm malt is a peat-smoked malt made from carefully selected malting barley.

Characteristics

Kilned over the fresh smoke of pure peat, it imparts a pleasant, intense, and spicy aroma

Usage

Any type of whisky for a distinct smoky flavour.

Storage and Shelf life

At least 24 months when stored in a cool, dry place (max. 18°C)

Packaging

Bulk loads and 25kg bags

IMPORTANT

All our malts are 100% traceable from barley field through all stages of malting process up to the delivery applying and respecting Regulation EC/178/2002 of the European Council regarding traceability.

All our malts are produced using the traditional process of over 9 days, a solid warranty of high modification of the grain and real top quality of premium malts.

Neither of our malts contains any genetically modified organisms as defined by Regulation (EC) No 1829/2003 of the European Parliament and of the Council, which means that all our malts are GMO FREE guaranteed.

All our malts are manufactured in strict conformity with the internationally accepted requirements HACCP (Hazard Analyses of Critical Control Points) currently in force and the ISO 22000 Food Safety Management System.

All our malts conform to EU and International regulations regarding the maximum allowable residues of pesticides, herbicides, fungicides, insecticides, as well as traces of mycotoxins.

All our malts are transported only by GMP-certified transporters.

You can see and print the results of the analysis of the malts delivered to you directly on our site www.castlemalting.com
