Decription: BarthHaas UK GMO Statement
Type of Document: Statement

We hereby confirm that all hops and hops derived products supplied by Barth Haas UK Limited are neither genetically modified nor any of the resulting hops products processed by using technology for genetically modified organisms (GMO's).

Therefore, all hops and hop products do not have to be marked as GMO-products according to all existing regulations of the European Union and other countries concerning food safety and also according to regulation (EC) no. 1829/2003 on genetically modified food and feed and (EC) no. 1830/2003 concerning the traceability and labelling of genetically modified organisms.

Should any changes take place regarding the above, Barth Haas UK Limited customers will be informed immediately.
